Our Services

For **Mortgages** we are independent mortgage advisers and we will recommend a mortgage product that is suitable for you following an assessment of your personal needs and circumstances. This will include a detailed assessment of affordability.

We will consider all products and lenders that we have access to. This means we will not consider those lenders that are only available by you going direct to them.

Where you are increasing your borrowing we will consider the merits of both a new first charge mortgage and securing this by an additional mortgage on a second charge basis. You may have the option of a further advance from your existing lender, however, we will only consider this where we are able to deal directly with the lender on your behalf. It may be in your best interests to explore this option and look at the further alternative of an unsecured loan, as these may be more appropriate for you.

For **Non-investment protection contracts** we are an intermediary and will act on your behalf when providing advice and making our personal recommendation(s) to you. We will do this based on a fair and personal analysis of insurers for term assurance, income protection, critical illness.

For **general insurance contracts** we are an intermediary and will act on your behalf when recommending an insurer based on your demands and needs from a fair analysis of the market. The insurers we consider will be listed to you when we carry out our research. It will be your responsibility to ensure the policy meets your demands and needs for building and/or contents, private medical insurance, accident sickness and unemployment.

The Costs of our Service

Mortgages

We will charge you a broker fee for the service we provide to you. This fee is for advice, research, recommendation, implementation (e.g. application, administration of arranging the loan).

The fee will depend on the type of product that we will provide advice on; and it will also depend on whether your circumstances are standard or complex.

Examples of complex circumstances are: credit impairment, debt consolidation, portfolio landlord.

Product	Standard Circumstances	Complex Circumstances
Remortgage (Residential or Buy to Let)	£250	£750
Purchase (Residential or Buy to Let)	£500	£1,000
House of Multiple Occupation, Multi-Unit Freehold Block, Expats, Bridging Loan	£1,000	£1,500
Commercial & Development Finance	£1,000	£2,000
Second charge loan	£1,000	£1,500

We may arrange a product transfer with the same lender for no further fees, if a commission is payable by the lender. If a commission is not payable by the lender, a broker fee of £500 may be charged by mutual agreement and it will always be agreed in writing beforehand.

Our fee is usually payable in stages. We will confirm in writing the breakdown before commencement of any work, but usually the split of the staged payments is as follows:

1. Assessment fee: payable prior to researching a lender and making a recommendation. Usually 25% of the total broker fee
2. Application fee: payable upon submission of the mortgage application or decision in principle to the lender. Usually 50% of the total broker fee
3. Offer fee: payable upon receipt of the mortgage offer from lender. This will be the remaining fee balance; usually 25% of the total broker fee.

All fees should be settled by bank transfer and we do not accept cash payments.

We will receive and retain any commission paid by the lender when your mortgage completes. This amount will be confirmed by the lender in their disclosure document.

Should you wish you can request to view the commission rates from each of the lenders we have considered at the time that we make our recommendation to you.

Refund of fees

Please note our fee will still be charged should the lender reject your mortgage application due to you not disclosing any material information about your personal situation. It should also be noted we do not provide a refund should you decide not to proceed with the mortgage loan after we have made a recommendation to you.

Non-Investment Protection and General Insurance Contracts

We **do not charge a fee** as we will receive commission from the provider/insurer after the policy has been placed on risk.

We are committed to providing the highest standard of advice and service possible. The interest of our customers is paramount to us and to achieve this we have designed our systems and procedures to place you at the heart of our business. In doing so, we will:
